Ground Floor Apartment for Sale in Estepona

A ground floor apartment in immaculate condition never been lived in and only built in the last few years. This apartment in Phase 4 of Alcazaba Beach, has recently been reduced for a quick sale and would make for an excellent investment whether its for a holiday or rental property. Apart from being a beachfront complex this Urbanisation is famous for its proximity to all amenities due to the short distance to the town of Estepona and all it has to offer, with its long promenade stretching the length of the beach until you finally arrive in the...
